

Tax Problem Solving Day

Saturday, November 3, 2018

10:00am – 2:00 pm

Legal Aid Society of Northeastern New York

95 Central Avenue, Albany

Staff attorneys from Legal Aid's Low Income Taxpayer Clinic (LITC) and representatives from the Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a case advocate to work with you. This is a **FREE** Program and refreshments will be provided.

The Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial issues, who've tried but haven't been able to resolve their problems. Best of all this service is **free!** Learn more about TAS at www.TaxpayerAdvocate.irs.gov.

Although LASNNY's Low Income Taxpayer Clinic receives funding from the IRS, the clinic, its employees and volunteers, are not affiliated with the IRS. A taxpayer's decision to utilize services from a LITC will not affect the taxpayer's rights before the IRS. The Low Income Tax Clinic does not generally provide income tax preparation services. For more information about our LITC and other programs at LASNNY, see www.lasnnny.org.
